Tri-Hi-Y World Service Committee Meet Tuesday

World Service is a program sponsored by the Young Men's Christian Association to help teach and train other young people in eighty six countries. It sends skilled North American Y.M.C.A. leaders to these countries to help develop Y.M.C.A. movements and leaders. It makes financial grants for programs, primarily for leadership training and for demonstration projects such as rural reconstruction, adult education, camping, physical education, student work, etc. It helps Y.M.C.A. movements abroad with buildings and other improvements. World Service also raises North America's share of the budget of the World Alliance of W.M.C.A.'s, runs an International Training Program which trains overseas YMCA leaders in North America, sponsored International Student Service which helps overseas students in North America, arranges for student World Service workers to serve overseas, carries on International Camper Exchange, meets emergencies (such as refugee situations) and cooperates with churches and other bodies on joint programs promoting international understanding.

The basic purposes of the World Service Program are to help people help themselves, to assist in the development of Y.M.C.A. movements in other countries only upon invitation from them, to develop leaders as soon as possible, and to build self-directing, self-financing, and self-expanding Y. M. C. A. movements abroad.

Six Appomattox County High School members of the Senior Tri-Hi-Y serving on the World Services Committee met in the school cafeteria on Tuesday morning. Shown above making plans, from left to right, are Billie Brightwell, Brenda Ferguson, Chairman; Paula Franklin, Janet Hix, Hope Paulette and Joanne Elder.

PEACE AT LAST

Hail, hail, the tidings bear,
That joy and peace are everywhere;
That Peace has come to us at last,
And all the clouds of war have passed.

For many long years the earth has been,
A place of strife and cruel sin;
But all today what tidings grand,
Greet one and all throughout the land.

We look today with solemn tears,
We see the grief of many past years;
The toil, the pain, the sorrows sore
Of friends, to those who are no more.

The sorrowing friends of those who gave,
Their lives that they might free-dom save;
The tears of mothers young and old,
Who gave their sons so brave and bold.

To each dear mother who has made
Such sacrifice, such price has paid;
A word of comfort and of cheer,
I'd like to speak to dry your tear.

But should I try to know I'd fail,
For human words are all to frail;
To show to you my feelings true,
But don't forget — I THINK OF YOU.

Then some we have, as all men know,
Who helped although they did not go;
But gave of all the wealth they had,
To comfort some bright soldier lad.

Valuable Collection

Mr. John Mann of Shipman, Virginia, formerly of Appomattox, stopped by the TIMES-VIRGINIAN last week with a collection of Indian relics for us to see. Mr. Mann, shown above, has been interested in collecting rocks for a number of years and is quite proud of the display above.

The large tomahawk shaped stone in the center of the picture was believed to have been used by an Indian Chief in ceremonies. On the right you can see a spearhead and an adult size shoe-last and Mr. Mann is holding a child's shoe-last used to make shoes by the Indians. Also among his find was quartz, some arrow-heads and many sets of both large size and small size Devil's dice.

This collection of Indian relics was found in his hog lot at his farm in Shipman after the hogs had rooted them out of the ground.

Mrs. Bartelt Presented Program At Junior Club

The February meeting of the Junior Woman's Club of Appomattox was held Tues. Feb. 27, at the home of Mrs. Carl Deavers.

The speaker for the evening was Mrs. Richard Bartelt, local artist, who presented a most interesting program on authentic handcrafted reproductions of toys from past decades of American History. Mrs. Bartelt and her husband became interested in American folklore as a hobby. They now plan to use this knowledge and skill to begin a small business. All of their wooden handicrafts are offered for sale. Some of the items are dolls dressed or undressed, toys, hobby horses and paper dolls.

A business meeting followed the program with Mrs. Robert Carter, club president, presiding.

During the business meeting the club voted to purchase Child Abuse Phamphlets to distribute to all teachers, principals and guidance counsellors in Appomattox public and private schools.

Child Abuse is a Virginia State Project and the Junior Woman's Club is conducting an active campaigns to fight Child Abuse in our area.

The club also voted to send Mrs. John Canada as a delegate to the Spring District Meeting in Farmville. Also attending will be Mrs. Robert Carter, Sr., president of the Club; and Mrs. Sam Ferguson, Vice-Chairman of the Home-Life Department. Mrs. Bobby Lawson volunteered to call local nurses for the Bloodmobile. Mrs. Richard Robinson, Courtesy Chairman, gave a very interesting talk for the Club Emphasis Review on "Little Things Mean A Lot".

Following the business session, refreshments were served by Mrs. Carl Deavers, Mrs. Sam Ferguson, Mrs. Bobby Lawson, Mrs. Carol Taylor and Mrs. Sandra Martin.

"Bon Voyage"

On Friday, March 2nd, when the Raider and the Raiderette basketball teams prepared to leave school en-route to Regional Tournament and Sectional Tournament play over the week-end, the entire student body was dismissed for a Pep Rally.

The ACHS band was on hand and the cheerleaders led the group in a cheering session, sending both our Number One teams off in grand style and with the spirit of the entire student body behind them. What a royal and well deserved send-off!
